

Sedona Parks and Recreation has many community and pocket parks for the visitors and residents of Sedona.

Situated up by West Sedona School is Posse Grounds Park. There is a children's park, complete with swings and a jungle gym. There are also two softball/baseball fields and a soccer field. Two tennis courts and a basketball court are available as well. The ramadas located throughout the park are available for parties, barbeques, and other gatherings. To reserve a ramada, call the Parks and Recreation Office at 282-7098.

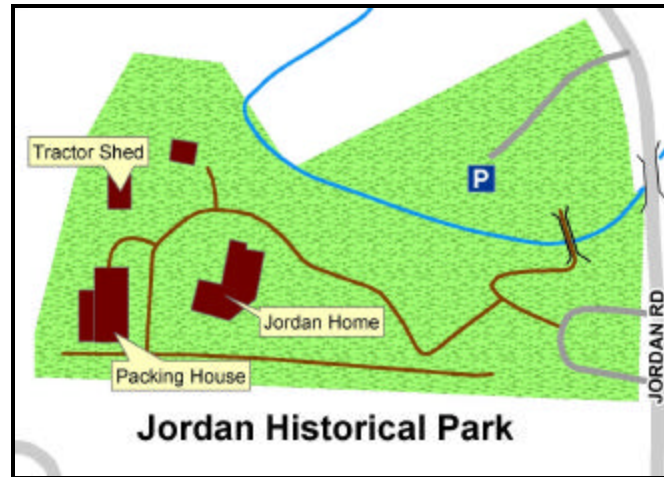

Across Posse Ground Road is the Jack Malmgren Memorial Skate Park. The Skate Park has areas for both beginners and advanced skaters, as well as bleachers for spectators.

The newest community park is on Sunset Drive. Sunset Neighborhood Park received the Governor's Award in October of 2003, and the Keep Sedona Beautiful Award in 2000. This beautiful park is Sedona's first designed and constructed City Neighborhood Park.

The park has a basketball court, tennis courts, picnic ramadas, a large grass multi-purpose area, the Lollipop Trailhead, a toddler playground, as well as an amazing playground for older children.

In Uptown Sedona, off Jordan Road is Jordan Historical Park. This park will take you back in time as you tour the Packing Shed and the old Jordan Home.

Be our guest and visit these beautiful parks!

Sedona's City Parks

Sedona's Pocket Parks are quiet, peaceful getaways. They are small areas where one can get lost reading a book, listening to music, or just sitting and enjoying the scenery.

Greyback Pocket Park is at the corner of Dry Creek Road and Kachina Drive. Benches invite you to sit down, relax, and take in the red rocks.

Arroyo Pinon Botanical Gardens are on the corner of 89A and Dry Creek Road. The Gardens are full of different species of grasses and flowers. Take a stroll along the path and enjoy the flora and the sculptures by local artists.

Jamesen Pocket Park was Sedona's first pocket park. It is located on the corner of 89A and Northview Drive. Jamesen's tranquil setting invites you to sit and enjoy the art by local artists, as well as the beauty of Sedona.
